

The site plan illustrates the proposed development for the Pittsboro Town Hall and Police & Safety Services Building. The plan includes the following details:

- Existing Structures:** Existing Town Hall, Existing Storage Building, and Potential Future Town Hall Annex.
- Parking Areas:** Municipal Parking Area and various parking spaces for the existing and proposed buildings.
- Green Spaces:** Multiple areas labeled "GREEN SPACE" and "GREEN SPACE & FUTURE EXPANSION AREA".
- Proposed Buildings:** Pittsboro Police & Safety Services Building, with dimensions of 120.0' by 60.0'.
- Future Expansion Areas:** Several areas designated for future expansion, including a 23.0' by 49.5' area and a 22.9' by 88.5' area.
- Drainage and Easements:** Assumed drainage easement of 50' and stormwater & legal drain capacity relief areas.
- Access and Driveways:** Proposed legal driveway and a drive-thru area for the potential future town hall annex.
- Dimensions:** Various dimensions are provided for building footprints, parking spaces, and expansion areas.
