PARK & RECREATION

Andy Newton explained the Board would like a minimum speed limit within Scamahorn Park of 15 miles per hour posted after the construction is all complete. Wednesday is our first 5k Fun Run partnered with Hendricks County Park & Recreation and Police Dept. The first concert in the Park will be held on August 16th. The third movie night will be September 6th. The vendors participating in the Farmer's Market are liking the new location in the parking lot of the Pittsboro United Methodist Church. Shawn Brown has requested a credit card for the Parks Dept. other than the Lowe's and WalMart cards. They would like to purchase items on Amazon and if they use their personal credit cards they have to pay the tax. Linda Ash set up an account however she is on medical leave and we do not know the passwords to Amazon.

Shelby Smith wanted to go back to the speed limit in Scamahorn Park, he feels 15 mph is too fast. According to Steve Maple and Jim Buddenbaum it is State minimum for parks.

Also need to change the Rules & Procedures to include this change.

Notice of the next meeting for the Next Level Trails will be on August 9th. Steve will attend and he can take one (1) other person with him. There will be \$30 million available for this grant.

Shelby has asked Landon Karst, President of Police Comm., to have a representative at our second meeting of each month to give a report on the Police Comm. and not have Scott as Police Chief give them himself.
